# Alaska Native Claims Settlement Act (ANCSA) Benefits

- Established 230 Village & 12 Regional corporations in Alaska
- State given 100M acres lands, billions in oil revenues, and governmental authority over all Native lands including subsistence
- Federal Government given 200M acres lands
- Multinational companies obtained right of way to build oil pipeline

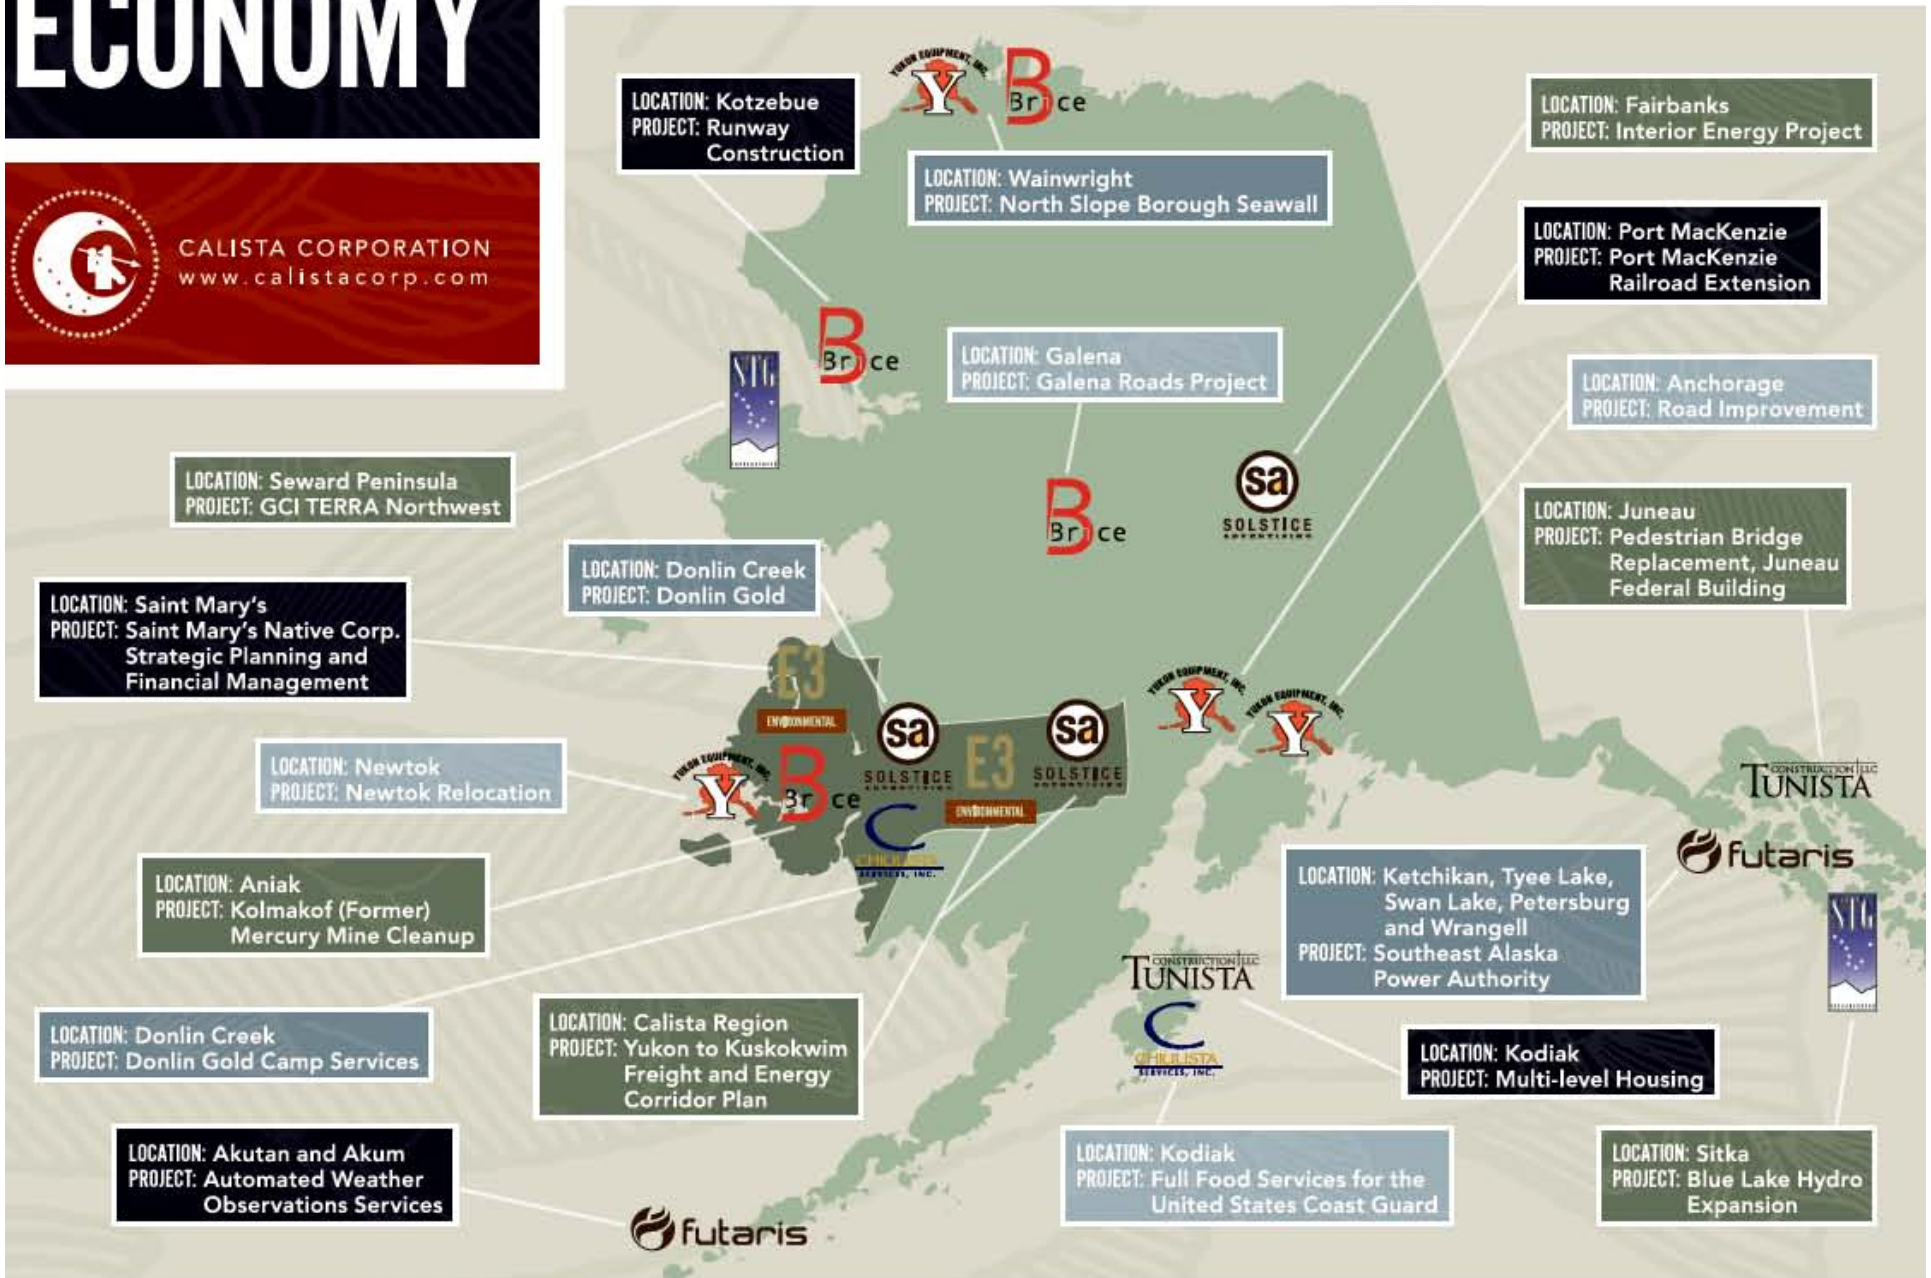

# BUILDING ALASKA'S ECONOMY

## Calista's ANCSA Progress

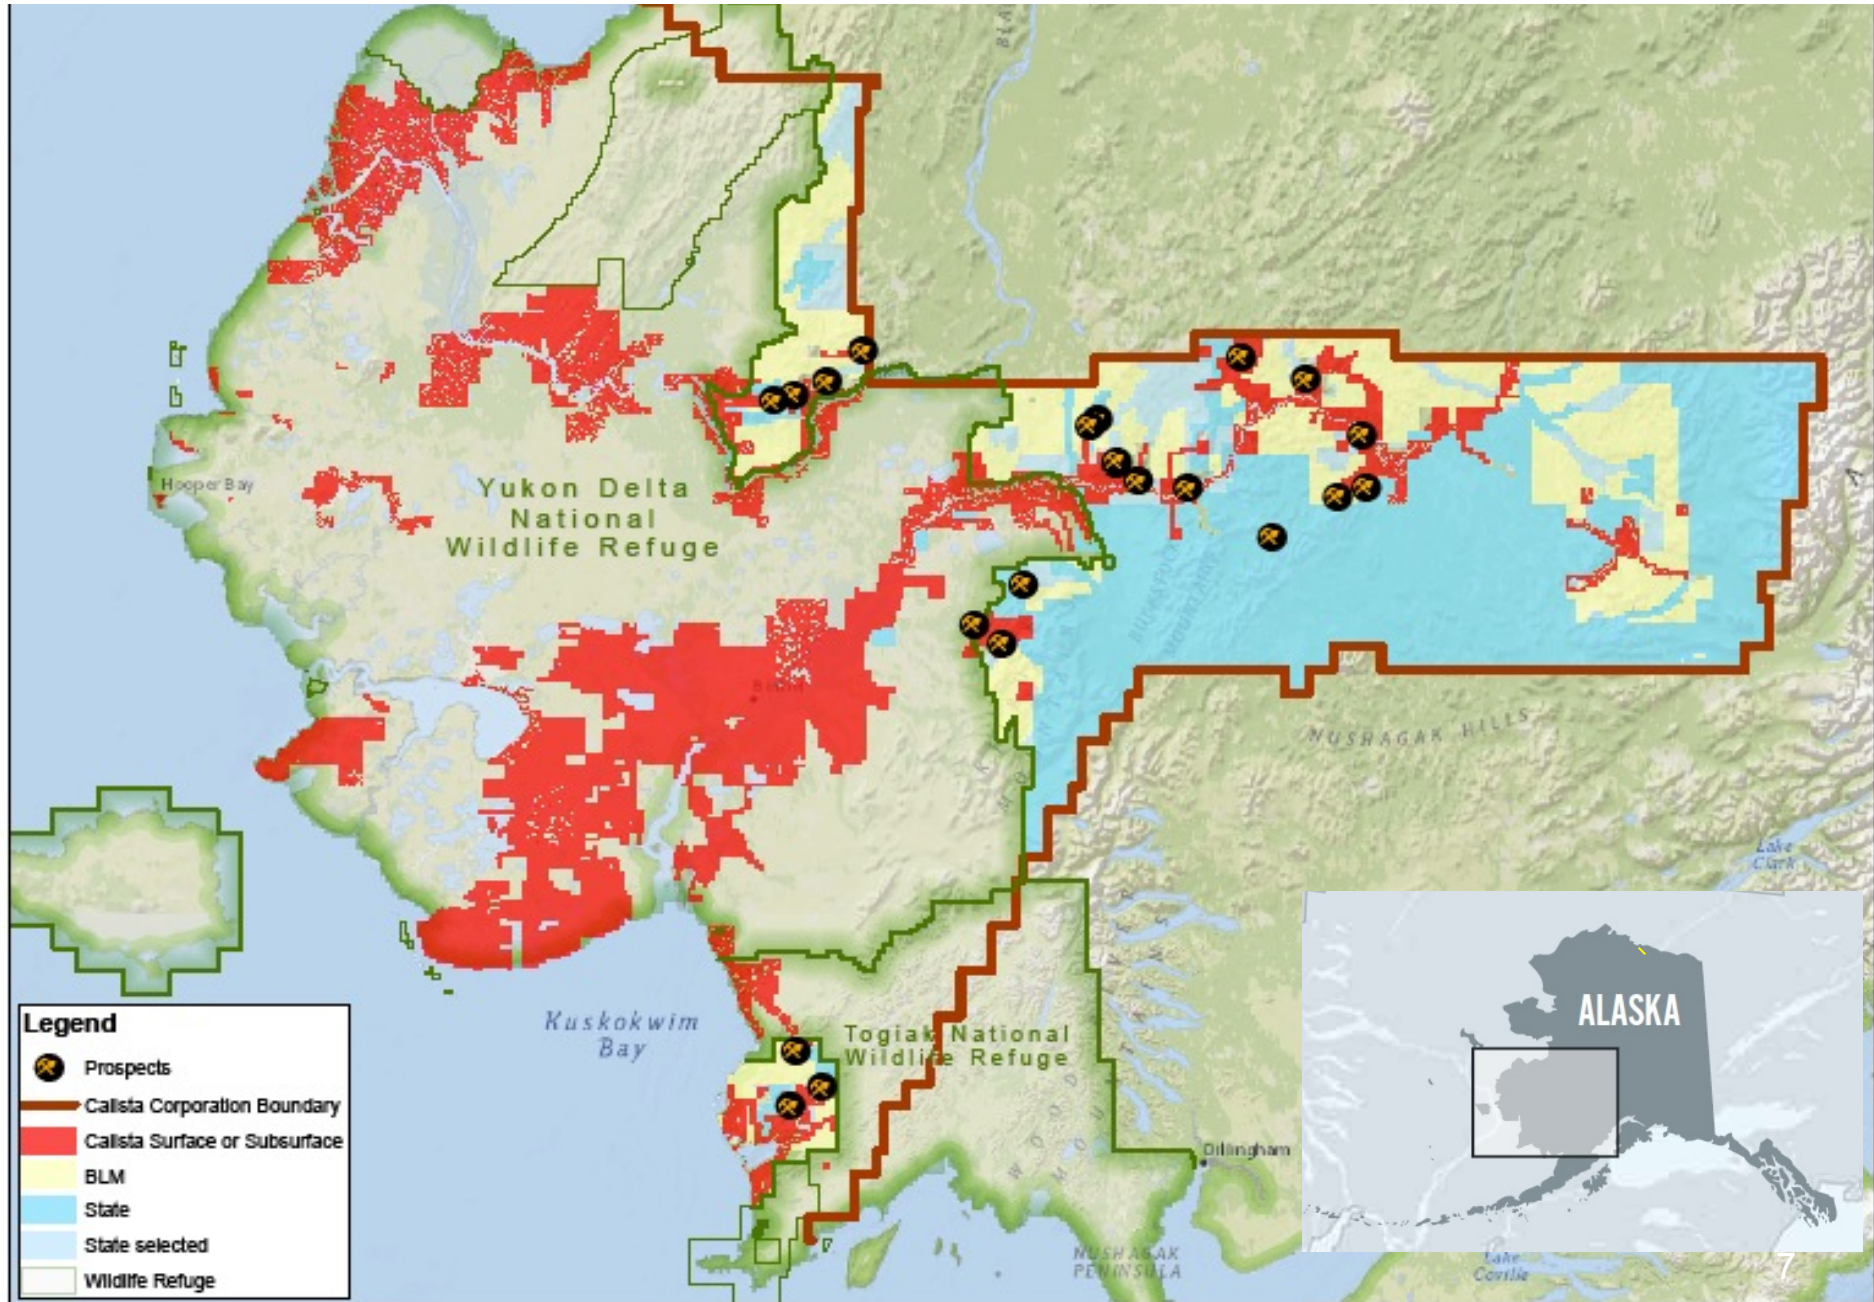

# ANCSA Today...

- Many ANCSA Corps Succeeding Financially
  - 22 of Top 49er Alaska corporations (revenue)
- Governments Shrugged off ANCSA Commitment
  - Have eliminated ROWs across federal lands
  - Limited and restricted subsistence rights
  - Have not provided basic transportation infrastructure nor means to low cost energy
- Result is limited Resource Development and sustainable livelihood for ALL Alaskans
  - Conflicted state and federal jurisdictions

# Calista Region and Mineral Prospects

# Donlin Creek Gold - a Resource Prospect

- Surface land owned by TKC
- Subsurface ownership by Calista
- 18 yrs rigorous studies, and now in permitting

CALISTA CORPORATION

# Great Donlin Potential

- Hundreds of Rural Jobs
- Construction & Operations
- Workforce Development
- 7(i) distributions

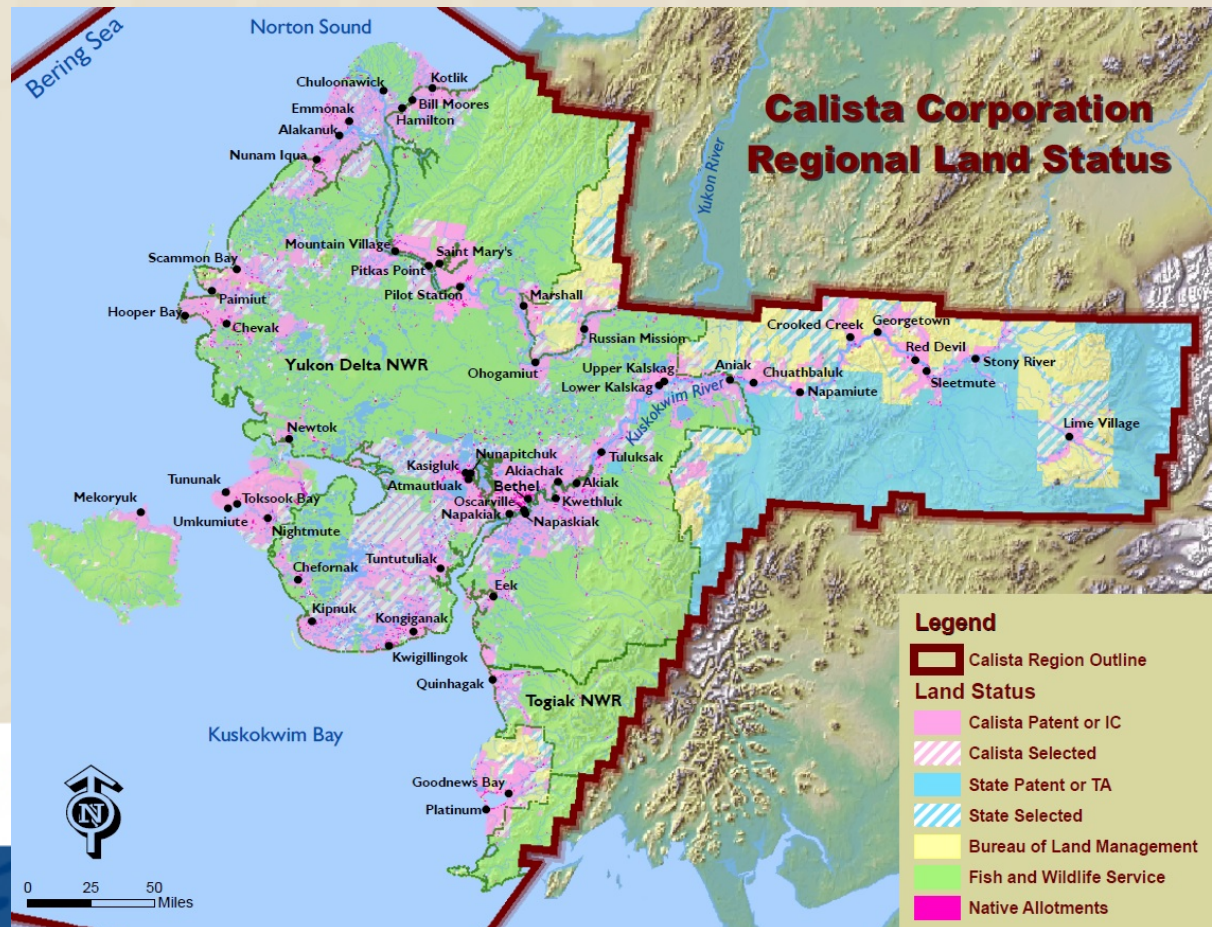

CALISTA CORPORATION

# Lack of Access and Energy

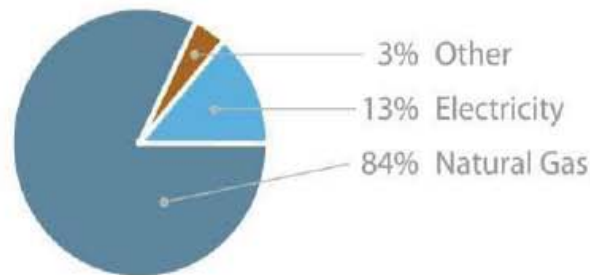

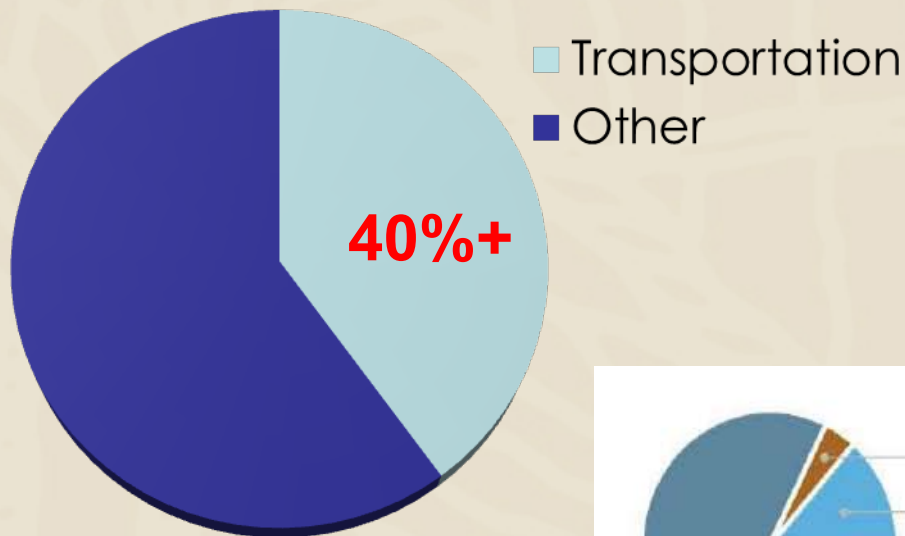

- Area surrounded by Federal 'Refuges' with no willingness to grant ROWs
- Limited core infrastructure provided by Gov't

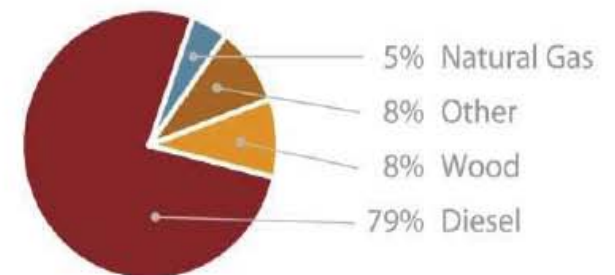

CALISTA CORPORATION  
www.calistacorp.com

# Lack of Access and Energy

- Transportation drives costs
- Diesel Dominated, No Electrical Grid

Anchorage

Rural Communities

May 2008, ISER

# Lack of Access and Energy

Rural Alaska has Majority of state's Natural Resources

For State Businesses and Economy to Prosper, Rural Alaska **needs:**

- Transportation Access and Efficiency
- Affordable Energy
- Basic Infrastructure

# Alaska Sustainability and Beyond

Depends Upon:

- Private Development
- Diversified Revenue Base
- Capital for Basic Infrastructure
- Tribes, ANCSA Corporations, State and Federal Government WORKING TOGETHER
